December 2021

Dear Customer

Change of Distribution and Product Supply arrangements for Upjohn UK Limited

In October we communicated that Mylan UK Healthcare Limited would be changing its name to Viatris UK Healthcare Limited (“**Viatris**”), effective from 1st November 2021. As we continue our journey to become one organisation under Viatris, we are writing to inform you of two further changes, effective from 1st January 2022.

With effect from 1st January 2022, the business of Upjohn UK Limited (“**Upjohn**”) will be transferred to Viatris, so that all UK Viatris commercial activities operate under a single legal trading entity. Upjohn will cease to trade from this date. As a result of this change, we are communicating a change in distribution and product supply arrangements for the Upjohn product portfolio documented in Appendix 1 to this letter.

Following the morning deliveries on 24th December 2021, based on final orders received by your wholesaler order cut-off time on 23rd December 2021, Upjohn will cease Direct to Pharmacy sales and transition to a Reduced Wholesaler Model through Viatris, as detailed below. As Direct to Pharmacy sales will cease from 24th December 2021, we would advise you to ensure you have stock available within your pharmacies to cover any demand of the products on Appendix 1 until the end of December 2021, after which purchases should be made through the Reduced Wholesaler service providers.

From 1st January 2022, purchases of the Upjohn prescription only products detailed in Appendix 1 should be made via our reduced wholesale partners:

- Alliance Healthcare Distribution Ltd;
- AAH Pharmaceuticals Ltd; and
- Phoenix Healthcare Distribution Ltd.

The purchase, supply and distribution of all other Viatris products will remain unchanged, and will continue to be available through their existing supply arrangements both through this transition and from 1st January 2022.

If your organisation has an agreement with Upjohn for the purposes of outpatient dispensing, we will be in touch under separate correspondence to discuss the transfer of that agreement to Viatris.

If you have any questions concerning the change, please contact Customer Services on UKcustomer.services@viatris.com or your relevant Account Manager.

Yours sincerely

Matt Salzman
Viatris Country Manager - UK
On behalf of Upjohn UK Ltd

Appendix 1 – Upjohn UK Ltd Prescription Product List

Product	Generic Name	Storage Condition	EAN-13 Code	Pip Code	NHS Price	Distribution Model
Atorvastatin 10Mg Smt 4X7 Bls Gb	(atorvastatin)	Ambient	5013457010701	117-0489	£13.00	Reduced Wholesale Model through AAH, Alliance and Phoenix
