Alliance Healthcare - keeping you informed

Over the September bank holiday period, our service centres' opening hours will be changing, but as always we offer emergency courier service wherever required. Please retain a copy of this information for your records.

Please see next page for Emergency Order Process details.

Emergency Order Process

In the event of an emergency (i.e., urgent CD lines being required) when the Service Centre is open or closed, please call customer service on

0330 100 0449

or

0344 854 2183 (HAS)

Outside of normal opening hours, when you enter your account number, you will hear a message advising you of your supplying Service Centre which you will need to make a note of. You will then be directed to the out of hours security company who will handle your call and direct it to the appropriate service centre.

The previous numbers will no longer be in use, so please ensure you update your records with the number above to ensure there is no delay with your request.

Please note, all emergency call outs will incur a £100 charge, plus courier charges.

During this peak trading period, when there is exceptional demand throughout our business, we thank you for your cooperation in ensuring that your transmission times are strictly adhered to.
