

PenCycle[®]

Pre-filled Novo Nordisk pens can now be recycled!

Dear Pharmacist,

Novo Nordisk, a global healthcare company specialising in treatments for people living with diabetes, obesity and rare blood and endocrine disorders, have launched a circular recycling initiative for their **empty pre-filled pens**, and they would like to invite you to be part of it.

Novo Nordisk supplies over half the world's insulin, but every year in the UK 23 million empty, **pre-filled Novo Nordisk** pens end up incinerated or sent to landfill. Alliance Healthcare are partnering with Novo Nordisk to help fix this.

Together, we are pleased to announce **PenCycle**, a recycling initiative for empty, pre-filled Novo Nordisk pens.

We are now collecting empty, **pre-filled Novo Nordisk diabetes** and **weight management pens** for recycling.

To help us give these empty pens new purpose, sign up today at:

www.alliance-healthcare.co.uk/pencycle

Or fill in the enclosed form.

This letter is made from recycled materials
and can be recycled again after use

What is PenCycle?

PenCycle has been designed with pharmacists, and makes it easy for people who use **pre-filled Novo Nordisk** pens to return their empty pens to participating pharmacies for collection. **Novo Nordisk** will then recycle the high-quality materials they are made from into useful new products.

PenCycle is a nationwide service, launched in September 2022 and available across all devolved nations of the UK (England, Wales, Scotland and Northern Ireland).

www.pen-cycle.co.uk

How can I PenCycle?

We will provide all the materials you need to get involved, including a blue **PenCycle Recycling Bin**, **PenCycle Return Boxes** and other support materials, **completely free of charge**.

PenCycling couldn't be simpler. We are asking you to:

Let people who use **pre-filled Novo Nordisk** pens know that you are participating in the initiative

Provide PenCycle Return Boxes to people who use **pre-filled Novo Nordisk** pens, and collect and store them when they are returned to you

Contact us at Alliance Healthcare to arrange collection of the PenCycle Return Boxes when your blue PenCycle Recycling Bin is full

Important: PenCycle can only recycle **pre-filled Novo Nordisk** pens. Please only share details of the initiative with people who **already** use these pens. People who do not must not be encouraged to ask for a Novo Nordisk medicine or device.

PenCycle will not only reduce waste, it will also support the transition of the UK healthcare sector to achieve the **NHS' critical environmental targets**. The initiative will use existing logistics routes to minimise environmental impact.

Your participation will have a lasting impact, helping to create a sustainable future for everyone.

If you have any questions, please take a look at the pharmacist page on the **PenCycle** website, or scan the QR code at the top of this page.

Join **PenCycle** today.

If you need any help completing this form, please contact the Skills in Healthcare team at:

PenCycle@skills-in-healthcare.co.uk or on **0330 100 0448**.

Once you have completed the registration form, **return it to us as soon as possible**, by one of the following means:

E-mail

PenCycle@skills-in-healthcare.co.uk

Post

**Skills in Healthcare,
Pharmacy Services Development and Delivery,
43 Cox Lane, Chessington, Surrey, KT9 1SN**

Fax

0203 044 8993

You will need to **keep a copy** of this for a **minimum of two years**. This can be an electronic or physical version.

The service is managed by Alliance Healthcare (Skills in Healthcare) in partnership with Novo Nordisk.

Please note your details will be held by Alliance Healthcare. Your pharmacy name and address will be provided to Novo Nordisk and included on the PenCycle website to inform people who use pre-filled Novo Nordisk pens about all pharmacies involved in the PenCycle initiative. This information will not be used by Novo Nordisk for any other purposes.

Novo Nordisk or its subcontractors will not obtain any of your personal data except for the name and address of your pharmacy.

For more information on how Alliance Healthcare protects and processes your personal information, please visit our Privacy Policy here: **www.alliance-healthcare.co.uk/privacy-and-security**

Novo Nordisk considers the protection of your personal data and privacy a very important matter. Novo Nordisk seek to adhere to all privacy laws and enforce clear policies on protecting personal information. If you want to know more about how Novo Nordisk handle personal data please visit the Novo Nordisk website: **www.novonordisk.co.uk/our-privacy-policies**.

Should you have any questions about Novo Nordisk Privacy Notices or approach to data privacy, or wish to exercise your rights, you are invited to contact: **privacyuk@novonordisk.com**.
